

# OPEN DAY & CROWN DOOR LAUNCH

We are delighted to invite you to join us on **Friday 19th November** for, as the name perhaps suggests, an introduction to the new **Crown Residential Doors System**. Those who attended our last Open Day in September had the chance to see the Crown Residential Window System as well as understand more about Window Energy Ratings and what they really mean for your business. We know how useful many customers found it, so for those that missed out, there will be the opportunity to catch up.

Once again, representatives from Sapa will be on hand to demonstrate the Crown system entrance doors, French doors and sliding patio doors that complete the Crown system and finalise the replacement of Monaframe.

Ask the experts - Sapa will be on hand all day to answer your questions.

Get details of the BFRC associated retailer scheme if you missed it last time.

Turn over for more good reasons to find the time to come...

**DON'T MISS OUT - THIS IS YOUR CHANCE TO FIND OUT MORE ABOUT WHAT'S GOING ON IN OUR INDUSTRY THAT AFFECTS YOUR BUSINESS.**

We look forward to seeing you on **19th November** anytime from **10am - 4pm** at **A Plus Aluminium, Units 14 - 18 Moor Park Industrial Centre, Tolpits Lane, Watford WD18 9EZ**

To confirm your attendance, RSVP to Abby on **01923 225855** or email [abby.barlow@apluswindows.co.uk](mailto:abby.barlow@apluswindows.co.uk)

# 4 good reasons to join us on 19th November...

**1** From 1st December your paperwork must state the Window Energy Rating of the windows you are supplying to homeowners.

If you cannot supply this vital information to homeowners and PROVE the Window Energy Rating then you can no longer install any windows. So come along and find out how you can ensure you comply - the deadline isn't moving so you have to!

**2** Doors as well as windows must now carry an energy rating and you must have a 'paper trail'.

Monaframe is to be discontinued and the new CROWN system takes its place as the premier aluminium residential system - find out what's different, how it works and the colour and furniture options you can now offer your customers.

**3** The BFRC Associated Retailer scheme is giving your competitors business that could be yours.

Some of those that attended our Open day in September registered for the Associated retailer Scheme and appeared on the BFRC website THE NEXT DAY - valuable new business may soon result. Find out on 19th November how you could also start to benefit from being an Associated Retailer.

**4** Does all the talk about the latest legislation leave you feeling just a little cold?

Baffled by energy ratings? If you don't know the difference between a WER and a centre pane U value, let us enlighten you so you can talk to your customers with absolute confidence and beat the competition.

We look forward to seeing you on the 19th November anytime from 10am - 4pm at A Plus Aluminium, Units 14 - 18 Moor Park Industrial Centre, Tolpits Lane, Watford WD18 9EZ

To confirm your attendance, RSVP to Abby on 01923 225855 or email [abby.barlow@apluswindows.co.uk](mailto:abby.barlow@apluswindows.co.uk)
